Community-Based Initiatives to Improve Attendance (CBIIA) Grant Application

The Community-Based Initiatives to Improve Attendance Grant was established by the Amaujaq National Centre for Inuit Education to promote new community-based initiatives aimed at improving attendance in schools located in Inuit Nunangat. The program is made possible through an endowment from the Arctic Inspiration Prize and collaborating partners.

Application deadline is February 20, 2015.

Eligibility

- Eligible applicants are school and non-government community groups located in communities in Inuit Nunangat. (Inuvialuit Settlement Region, Nunavut, Nunavik and Nunatsiavut).
- Individuals are not eligible.
- Applications must be for new/innovative initiatives that engage both parents and schools in initiatives to improve attendance.
- Applications that demonstrate collaboration with other project partners will be considered priority applications.

Ineligible Costs

- Equipment
- Existing O&M
- Honorariums

Please describe how you will assess your project's effectiveness? .

Grant Decision Process

- Grant decisions made by Amaujaq Centre are final and cannot be appealed.
- Grants are one-time only.
- Meeting the eligibility criteria does not guarantee grant approval.
- Maximum grant is \$5000.
- Successful applicants will be expected to submit a final report on the project with photos that may be used by the Amaujaq Centre to promote the intent and results of the Grant program.
- Decisions on eligible grants will be made known in early March 2015.
